To be a part of the IMPACT, please refer non-transplantable livers to IIAM:

www.IIAM.org/Make-A-Referral or 800-486-IIAM(4426)

Pre-clinical liver donor criteria:

- Donor Age: 6-60 years
- BMI ≤ 30
- WIT < 60 min
- CIT < 24 hours
- Final ALT & AST ≤ 250
- Final T BILI ≤ 1.5
- Biopsy Macro & Micro combined ≤ 40%
- Will consider a split liver

Donors with the following will not be candidates for pre-clinical studies:

- IVDA <1 year since last use from date of death
- Any autoimmune disease
- Positive blood cultures at time of admission
- MRSA in any culture
- DM Type 2 < 5 years from date of death
- Severe fibrosis and cirrhosis

Together, we make a difference in saving and healing lives!
